I am an athlete that loves to entertain a crowd.  
Whether on the court, the field, or in the classroom  
amusing other people is my goal.  
I love to see people happy and know that  
I had something to do with it.  
I am the type of friend you go to  
when you want an honest opinion.  
People consider me blunt  
which I take as a compliment.  
But I am still a typical teenager  
trying to find out who I really am.  
One thing that I am positive of is  
through thick and thin  
I will always be myself.

-Steph Kenney

Excerpt-college essay

Comes the Dawn

And you learn that you really can endure,  
That you really are strong,  
And you really do have worth.  
And you learn and learn...and learn  
  
With every goodbye you learn.
